****

ORDER:

Government has issued Innovation and Start-Up policies through GOs vide read 1st and 2nd shown above. On review and careful consideration of the existing status of the Innovation and start-up ecosystem the Government have laid down the following targets for itself in the area of Innovation and start-up ecosystem.

- 100 Incubators/Accelerators to be established.
- 5,000 Companies and Start-ups to be incubated.
- 1 Million SFT of incubation space to be developed.
- Venture capital of Rs.1000 Cr to be mobilized for innovation.
- Foster Innovation culture.
- Create at least one home grown billion dollar technology start-up.

2. In order to achieve the above targets, Government after careful consideration included all state run universities, private universities and technical institutions also in Andhra Pradesh innovation and start-up policy.

3. Government has decided to form a separate Committee for forming detailed guidelines for scrutinizing the proposals from universities and payment of funds and subsequent monitoring. The committee shall submit its proposals to the Government for its consideration. The committee shall comprise of eminent academicians / administrators / professionals from IT industry / representatives from government.

Contd….

4. Therefore committee consisting of following members are formed for vetting the proposals and decide on the infrastructure and financial need to run the incubator.

1. Secretary, ITE & C	Chairman
2. Secretary (HE)	Member
3. Secretary (Skill Development)	Member
4. Prof Srinivasula Naidu (member planning board)	Member
5. CEO, APIS	Member Convener
6. Any other person of repute which the chairman decides	

5. The committee mentioned above will develop criteria for selection of institutions and eligibility for payment and recommend the same to the Government.
